Subject: Proposal for implementation of Project Management Information System

Dear Sir,

With reference to the presentation on the *Data Plain: Project Management Information System* held on 17th June 2025 at the office of the Member Aided Projects (AP), National Highway Authority (NHA).

Enclosed please find the formal proposal for the implementation of the *Data Plain: Project Management Information System* for the upcoming NHA projects for your review and approval.

The proposed system will streamline and optimize construction project workflows and enhance efficiency, transparency, and collaboration. Its implementation will contribute to improved project delivery and oversight.

Thank you for your kind consideration of our proposal.

Yours sincerely,

Salman Khalid
Chief Executive Officer
